PROFILE

Interior architect (BA, Høyskolen Kristiania) with a semester at Solent University and a tropical architecture programme at IDB Bali. Works in Norwegian and English. Current commercial work: styling at Bolia (Thon Ski senter) and an ongoing office project for client FM Cybersecurity in Oslo. Looking for a role as interior architect, junior interior architect, interior designer, or interior stylist in a studio or practice.

EXPERIENCE

Interior styling — Bolia.com, Thon Ski senter

Feb 2026 – present

Luxury furniture retail. Styling of spaces and product displays; commercial spatial taste in a live shop.

Sales Associate — Sport Holding Retail AS, Vinterbro

Oct 2020 – Aug 2026

Sports retail. Customer contact, space and product display, collaboration on a fast shop floor.

SELECTED PROJECTS
